Dear Parent or Guardian,

Thank you for registering your child for the Korean Summer Camp at Critical Languages Program (CLP). We are looking forward to a terrific summer and are delighted that your teen will be a part of it. Please read and save the following information regarding your child’s summer program.

**Site Contact Information (Telephone Number and Email Address)**

For general program or registration inquiries, please contact the main CLP office at critlang@email.arizona.edu or (520) 621-3387. Email is the best way to reach us since CLP is working remotely. We will try to answer email inquiries as soon as possible, but please allow us a 24-hour during the weekday and a 48-hour during weekends turnaround time.

**Parental Permission Forms**

Parent Permission forms may be found at the end of this document. Please print, complete, and sign these forms and submit them at the time of application.

1. Image release
2. Behavioral expectations for minors
3. Minor participant code of conduct for virtual programs
4. Assumption of risk and release form

**Supervision**

Trained and certified instructors and staffs will supervise and lead program activities. Appropriate CLP staff are CPR and First Aid Certified, have received fingerprint background checks and have years of experience working with adolescents.

**Lunches/Snacks**

CLP does not provide lunch. However, we may occasionally offer snacks if it is related to camp content. We understand that some children may have dietary restrictions or allergies. We take into consideration these restrictions when allowing and/or providing snack products and will ensure your child receives a snack suitable to their diet.

**Behavioral Expectation and Dismissal Policy**

In order to provide a safe environment for all participants, University regulations and appropriate classroom behaviors will be strictly enforced. Students may be involuntarily dismissed because of disruptive or threatening behavior as defined by the university dean of students (https://deanofstudents.arizona.edu/accountability/disruptive-student-behavior):
1. Disruptive behavior: Conduct that materially and substantially interferes with, or obstructs, the teaching or learning process in the context of a classroom or educational setting.

2. Threatening behavior: Any statement, communication, conduct or gesture, including those in written form, directed toward any member of the University community that causes a reasonable apprehension of physical harm to a person or property or legal status.

In these cases, parent/guardian will be notified of problems and encouraged to assist the teacher and staff in resolving the problems. If the correction is not made and the student exhibits again, the student may be dismissed. Students who are dismissed from the program for disruptive or threatening behavioral issues are not eligible for refunds or certificates. Certificate of Completion will be awarded to those whose attendance rate is 70% or more.

Dress Code

Students are expected to dress in an appropriate and culturally sensitive manner. Students wearing clothing that is offensive (vulgar images/statements), or too revealing, will be asked to go home to change.
